Students may repeat credit courses in which substandard grades (less than "C," and including "FW") were earned. The District shall identify reasonable limitations on credit course repetition in AP 4225 (Course Repetition).

Under special circumstances, consistent with AP 4225 (Course Repetition), 4227 (Repeatable Courses), 4228 (Course Repetition – Significant Lapse of Time), and 4229 (Course Repetition – Variable Units), students may repeat a course in which a grade of C or better was earned.

Nothing in this policy shall conflict with Education Code section 76224 or Title 5 section 55025 that pertains to the finality of grades assigned by instructors or pertaining to the retention and destruction of student records.

When course repetition occurs, the permanent academic record shall be annotated in such a manner that all work remains legible, ensuring a true and complete academic history.
