I. Welcome

II. Constitution and Bylaws

- Motion was made by Scott, second by Fern Jones, there was no discussion and the revised Constitution and Bylaws were approved

III. Climate Survey Questions

- Academic Senate came to Barry to do the Survey, now the results have generated various reports, along with several questions, and recommendations. Changes are hopeful for the future. Transparency, input not being welcome or taken into consideration, clarity on release time for committees were a few items brought forth.

IV. Open discussion:

Q: What would be a more ideal time for the survey to go out?

A: October for Fall, March for Spring

- The gray area on the transparency question, brought up discussion on how to get these questions answered more directly.
Would like to get to the root of the issues classified are having. List of items to make the climate better.
- Andrea made a motion to postpone the rest of the agenda items to the next meeting. Scott seconded. All in favor and the motion carried.
