

# Accepted Prerequisite Courses for COC Health Professions Programs

Each of the following courses—Anatomy, Physiology, and Microbiology—must be a minimum of 4 semester units or 6 quarter units.

- ⚠️ Program prerequisites are subject to change. Starting **January 1, 2026**, the Nursing Department will **no longer accept online biology labs**.
- 👉 If you’re planning to apply to other Health Professions programs, please check directly with each program to see whether they accept online labs for their required science courses.
